(b) if so, what action Central Government have taken for approving the inclusion of these programmes in the next UNDP Programme; and

(c) what other steps are contemplated to overcome sickness in small scale industries in Punjab?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT (SHRI M. ARUNACHALAM): (a) Yes, Sir.

(b) None of the nine project proposals, relating to industrial sector, submitte by the State Government of Punjab have been found acceptable by the authorities concerned for inclusion under the Third UNDP/India Country Programme 1985—90.

(c) In order to tackle problems of sickness of small scale industrial units in the country, the Government as also the financial institutions have recently undertaken a number of steps such as setting up of special cells, inter-institutions committees, facilitating upgradation of technology, institutioanl support etc.

Over production by Modi Rubber Ltd.

797. SHRI K. MOHANAN: Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that the Modi Rubber Limited have violated the norms and produced nearly double the licenced capacity of tyres and tubes; and

(b) if so, what action has been taken by the Central Government against the said industrial concern?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT (SHRI M. ARUNACHALAM): (a) and (b) It came to the notice of the Government that the production of M/s. Modi Rubber Ltd. durig 1979-80, was 7.64 lakh nos. of automotive tyres & tubes as against approved capacity of 4lakh nos. A show-cause notice was issued to the company in this regard and an enquiry was held. In the course of the enqiury it was found that the excess production had been achieved by way of improved technology, efficiency and fuller utilization of plant and machinery and not by way of installation of any additional machinery. Further, the firm was also holding a letter of intent No. LI:735(80), dated 6-12-80, for an additional capacity of 2 lakh nos. tyres. The case was examined and, in terms of Government Scheme notified on 4-9-80, the excess installed capacity of the undertaking covered by the Licence was regularised and re-fixed at 7.64 (Seven decimal six four) lakh numbers per annum each for automobile tyres and tubes. The regularisation of excess capacity was also subject to the condition that the letter of Intent No. 735(80), dated 6-12-1980, granted to the company should be deemed to be subsumed in the capacity so regularised.
